### American Law Reports

American Law Reports (ALR) is one of the leading case-finding tools used to access the information needed to build a successful case. It is a good place to start your research, determine guiding legal principles, and find supporting case law and statutes.

You can access all of ALR online -- From ALR 1st series to the 6th series and ALR Federal to the Federal 2nd series. ALR 1st provides almost 14,000 annotations, kept up to date with current case citations and covering topics such as relevance as corporations, criminal law, evidence, municipal corporations, insurance, real estate, taxation, wills, and more.

### American Jurisprudence

The Am Jur family of products provides you with fast, authoritative answers to any aspect of civil, criminal, substantive, and procedural law.

**Am Jur 2d** - A comprehensive, up-to-date encyclopedia that integrates information from a multitude of sources to summarise and explain broad principles that apply to more than 430 topics of law.

**Am Jur Pleading & Practice Forms Annotated** - Over 37,500 practice proven forms organised into 362 topics for every stage of state and federal litigation.

**Am Jur Proof of Facts** - Discover, then present the hard-to-ignore facts that prove liability, specific injuries, conditions, or damages.

**Am Jur Trials** - A lawyer-to-lawyer guide for winning settlements and trials.

**Am Jur** - More than 23,000 word-searchable forms classified under 260 chapters and organised by legal topic.

### Corpus Juris Secundum

Corpus Juris Secundum is a comprehensive legal encyclopedia containing over 400 topics that are cited and quoted as authority in courtrooms across the United States. In each article, the broad principles of the law are explained and put into context, so you know how they are applied by lawyers and the courts.

CJS includes citations to both state and federal court cases, providing you with a full perspective of the law locally and nationally. CJS is a great resource for you to gain an overview of a particular area of law, as well as a "refresher course" if you're already familiar with the topic. You can refer to CJS to help identify a problem, determine if you have a case, and see if the case is worth pursuing.

- Covers a wide variety of practical, contemporary legal issues
- Offers all the case law on an issue for the on-point cases you need from your jurisdiction
- Updated continually so your answers are always current
- Saves you hours of research time
- Provides you with detailed table of contents with indexed tables for fast cross-referencing
- Shows you what cases are controlling or on point, and why

See reverse for the content highlights. Your account manager can supply you with the complete, current list.
